Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: Claims 1-15 have been found to be allowable. The amendments to the independent claims 1, 9 and 15 do overcome the prior art of record since the prior art of record either alone or in combination, neither discloses nor makes obvious the combination of the apparatus, as well as the corresponding method, and the corresponding computer readable medium, for compensating for errors in a pattern to be printed on a photosensitive surface using a spatial light modulator, and comprising among other features, means for determining attenuation of at least one of a predicted aerial image and a corresponding resist image; and means for implementing the determined attenuation during the exposing with the overlap zone, as recited in the instant claims of the present invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hung Henry V Nguyen whose telephone number is 571-272-2124. The examiner can normally be reached on Monday-Friday (First Friday off).
